1. Scope

- 1.1. Mega Equity Securities and Financial Services Public Ltd (the “Company”) is a Cyprus Investment Firm authorised by the Cyprus Securities and Exchange Commission (CySEC, licence no. 011/03), with its registered office at 42-44 Griva Digenis, 1080 Nicosia, Cyprus.
- 1.2. This Cookie Policy explains how the Company uses cookies and similar technologies on its public website www.megaequity.com, which redirects to megaequity.com (the “Website”), and how to manage them. Linked trading and onboarding platforms are separate services; consult their privacy and cookie notices when using them.
- 1.3. This Cookie Policy is issued under the Regulation of Electronic Communications and Postal Services Law of 2004 (Law 112(I)/2004), as amended, Regulation (EU) 2016/679 (the General Data Protection Regulation, “GDPR”) and Cyprus Law 125(I)/2018. It should be read together with the Company's Data Privacy Policy, available at megaequity.com/legal-privacy-policy.

2. What Are Cookies

- 2.1. Cookies are small text files that a website stores on your computer or mobile device when you visit it. They allow the website to recognise your device, remember your preferences and collect information about how the website is used. Similar technologies, such as pixels and local storage, work in a similar way; in this Policy the Company refers to all of them as “cookies”.
- 2.2. **First-party cookies** are set by the Company.
- 2.3. **Third-party cookies** are set by other organisations whose services the Company uses on the Website, such as analytics providers.
- 2.4. **Session cookies** normally expire when your browser session ends. Some browsers may restore them when restoring a previous session.
- 2.5. **Persistent cookies** remain on your device for the period stated in section 5, or until you delete them.

3. Types of Cookies the Company Uses

- 3.1. **Strictly necessary cookies.** The Website uses localConsent to remember that you have acknowledged the cookie notice and to keep the banner dismissed during your browser session. It is set only after you click “Accept”. You can block or delete it through your browser; the banner may then appear again.
- 3.2. **Statistics cookies.** These cookies help measure how visitors use a website, such as which pages they visit and how long they stay. The Website does not currently use statistics cookies, including Google Analytics cookies. If introduced, they will require your prior consent.

4. Your Consent and How to Change It

4.1. When you first visit the Website, a cookie banner explains that the Website uses only necessary cookies. You can:

- **Click “Accept”** to dismiss the banner and set localConsent;
- **Read the Cookie Policy** using the link in the banner; or
- manage or delete cookies through your **browser settings**.

4.2. Clicking “Accept” records acknowledgement of the notice. It does not activate statistics or marketing cookies, as the Website does not currently use them. There are no optional cookie categories to select.

4.3. You can delete localConsent at any time through your browser settings. The banner will appear again when you reload or revisit the Website. The Website does not currently provide a separate “Reject all” button or “Cookie settings” link.

4.4. The Website stores your acknowledgement in localConsent for the browser session, rather than for a fixed number of months. The cookie has no fixed expiry date or persistent retention period. Browser session-restoration settings may preserve it until you delete it.

5. Cookies the Company Uses on the Website

5.1. The table below lists the cookie used on the Website. It is a first-party cookie set on megaequity.com with the path “/”, so it applies across the public Website. Its value is “true”; it does not contain a name, email address or unique visitor identifier.

Cookie name	Provider	Purpose	Category	Duration	Data processed outside the EEA?
localConsent	the Company	Remembers that you clicked “Accept”, so the cookie banner stays dismissed.	Strictly necessary	Session	Possible via hosting; see section 6.

6. Third-Party Cookies and International Transfers

6.1. The Website does not currently use third-party analytics or advertising cookies. The localConsent cookie is set by the Company. Links to social networks, trading services and onboarding platforms lead to separate services, which may use their own cookies when you visit them.

6.2. The Website uses Render hosting and Cloudflare delivery and security services. Technical request data, including cookie headers, may be processed outside the European Economic Area (EEA), including in the United States. Processing locations and transfer safeguards depend on the service configuration and applicable agreements. For details of recipients, locations and safeguards, contact the Company at info@megaequity.com.

7. Managing Cookies Through Your Browser

7.1. Most browsers let you view, block and delete cookies. These controls are usually found in the “Settings”, “Privacy” or “Help” menu (for example in Google Chrome, Mozilla Firefox, Apple Safari or Microsoft Edge). To reset the Website’s notice, delete localConsent or clear site cookies for megaequity.com. Blocking this cookie prevents the Website from remembering that you dismissed the banner.

8. Your Rights and How to Contact the Company

8.1. Where the necessary cookie involves personal data, the Company processes that data on the basis of its legitimate interest in operating the Website and remembering your acknowledgement of the cookie notice (Article 6(1)(f) GDPR). Any future use of statistics or marketing cookies will require your consent. You have the rights described in the Company’s Data Privacy Policy, including the rights of access, erasure and objection.

8.2. If you have any questions about our Cookie Policy or how we use cookies, please contact us at info@megaequity.com. We will endeavor to reply as quickly as possible and take any suggestions you may have into account.

9. Policy Review and Updates

9.1. The Company reviews this Cookie Policy at least once a year and whenever it changes the cookies it uses.
